

Hello from the SLIMS Team. Thank you to those staff who attended the SLIMS Project Forums in Hobart and Launceston. The purpose of the forums is for staff to come along and learn more about the SLIMS Project, which is working to provide staff with integrated information and tools to assist you in interactions with students. The forums were well attended, and gave staff the opportunity to ask questions of the Project, and what the future may hold.

There are two additional sessions scheduled for Hobart and Launceston, with a date for Cradle Coast Campus currently being negotiated with their staff. The future dates are:

Hobart

Tuesday 3 April, 12 noon – 1pm in the Uni Centre, Flexible Learning space

Launceston

Friday 13 April, 2pm – 3pm, in Lecture Theatre 1 in the Building A.

The Project Steering Committee is scheduled to meet at the end of March, and will discuss the recently released Project Charter, as well as project achievements and the draft Client Service Model. There will be updated information available on the website, after the papers from this meeting have been accepted.

The Project Team encourage staff, students and anyone interested in the Project, to contact us with any questions, concerns and ideas regarding any aspect of SLIMS. Email the team at Slims.Project@utas.edu.au .or visit the website at <http://www.slims.utas.edu.au> and use the feedback forms for Opportunities / Suggestion, and Issues.
